**MR'S PROUD ACHIEVEMENT** By MANU

**For** the past decade, Malaysia has settled among the top countries when it comes to the level of education it offers and as a matter of fact, the number of students is ever growing. However, there has always been a question about employment opportunities for fresh graduates due to local laws and regulations. Through experiences during my University time, some of the main words that came from international students were 'I wish I could get an opportunity to work here'.

ICAEW, in association with TalentCorp, are now making dreams come true. Eventually, international students can now have a career in Malaysia while still pursuing the ICAEW professional qualification. In order to promote this new opportunity, ICAEW organized an event by inviting over 100 international students from different top universities and representatives from the big four and other well-known companies like Petronas at **The University of Nottingham KL, Chulan Tower**. The event was marked by a lot of discussions regarding facilities provided to International Students and Dato' Jeyaraj was invited to give his views in what he looks for in students and employees. He talked about attitude; determination and discipline which are the main characteristics that an individual need to have/acquire in order to be successful. Following the 'Q & A' Session, an award ceremony was organized for stand out firms in Malaysia which have helped in ICAEW objectives.

It has been several years now since MustaphaRaj was granted a certificate for being an 'Authorised Training Employer' for those pursuing the ICAEW professional qualification.

17<sup>th</sup> June 2014, MustaphaRaj was rewarded for helping in the development of young talents. Dato' Jeyaraj received the award as being part of the 'ICAEW Regional Centre of Accountancy Training Excellence' from the Chief Executive Officer of the Institute of Chartered Accountants England and Wales, Mr. Michael Izza.

It was definitely a successful achievement for MustaphaRaj among other big names which were present.

### CORPORATE SOCIAL RESPONSIBILITIES (CSR)

#### SUPERHEROES FOR CHARITY

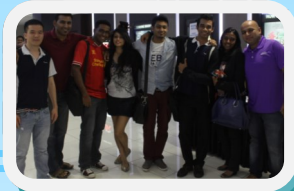

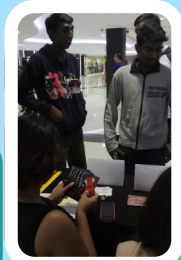

BY PRIANKA

A blockbuster of epic proportions, X-Men: Days of Future Past, took us all away from our work benches on 23rd May 2014, and set us into a ride through time and imagination. The combination of brilliant visual effects, action packed battle scenes and a star studded ensemble of gorgeous actors was more than a treat for the eye. Thus, it is not surprising that this movie is the highest-grossing film in the series and the highest-grossing film of 2014. It was surprising, however, that despite a sheer greatness projected on the silver screen, many members of our family managed to sleep off within the first fifteen minutes of the movie! Though we can all agree that the movie night gave us more than a few laughs and was a great way to end a heavy work week.

The movie started at 9.30pm in Cathay Cineplex, the Curve. The set up crew included the MR Committee as well as two other volunteers, who was Vidhya and I. Before we could even find our chairs at our station an hour and a half before the show time, excited movie goers crowded around us requesting for their movie tickets. By 9.15pm, most of the MR staff were gathered outside the movie theater with their family and friends. Sham, our resident photographer took this opportunity to take photos of the excited movie event. The charity movie sale was a success as all the seats in the house were sold out 7,630.00 from the ticket sales. All proceeds were given to Ephratha Home, a charity organization in Rawang that caters to the needs of orphans, abandoned children and runaways. Take pride in the fact that we were the heroes that night who contributed to making a better future for those children.

"We make a living by what we get, but we make a life by what we give." Winston Churchill.

We thank everyone for putting in the effort to sell all their allocated tickets. We hope that this effort will make the lives of the children in Ephratha Home a little brighter as it did ours.

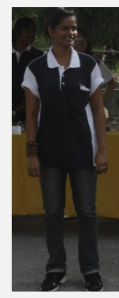

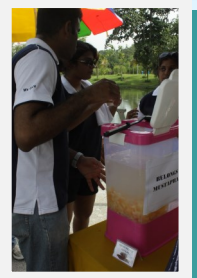

#### NASAM FOOD AND FUN FAIR 2014

BY PRIYA

The 17th annual NASAM Food and Fun Fair was held at Taman Jaya, Petaling Jaya on the 15th of June 2014. This event is held to help raise funds to provide subsidized physiotherapy and rehabilitation for stroke patients. There were wide ranges of stalls selling all sorts of things especially food items.

It was a bright, sunny day and we had lots of people came down to show their support by purchasing the items that were being sold. Mustapharaj have successfully raised RM2,181.00 by selling delicious food items such as Nasi Lemak, Meehun, Currypuffs, Cupcakes, Brownies, Coconut Jelly, 'Murukus', Coffee, Fruit Punch and others.

The grand total of approximately RM176,000.00 was raised from this event. We would like to thank each and every one from Mustapharaj whom had offered their helping hand in making the NASAM Food and Fun Fair a success. Perhaps next year, we can try to raise money up to RM3,000.00?

Then the games began, the competition where the (birthday babies) Mona, Sara, Manu, Priya and Jovani were to guess the player name, country and the players gf. Halimah (who won the grand prize a football/ represented by Weng Jin).

The awarding of for the bowlers of Mustapharaj was presented to the teams by our very own and the one and only the "Magic Man" himself Mr Arul giving the Gold to Team F's captain Nara (who also won the Best Male bowler of the year), Silver to Team E (captain Mona) and lastly the Bronze medals to Team D (captain Leha) .....the best Female Bowler of the Year award went to Team F lady Bowler Rynn "lightning strike".

The candle blowing was done with the lights switched off and the beams from the candles permeated the darkness in the room. It was definitely a memo-rable one.
