

It has been quite a year with many changes seen in the second quarter of the year! We have had our share of fun with 1 of the most anticipated movie of the year, The 'Avengers, as well as excitement when we had staffs driving like Formula 1 pros' on the Go kart tracks (while one or two were driving like they were in bumper cars), we have captured those exciting activities that took place over the past 3 months and have compiled them all for your reading pleasure.

We hope that you enjoy Volume 5.2 of this years E-Buzz. So take a break from your busy work schedule, sit back, sip on a hot cup of coffee and continue reading.

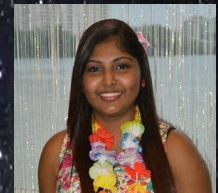

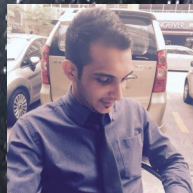

If you have any fun and exciting ideas to make the E-Buzz more interesting, do mail us!

## Earth Day by Ambi

# Mother Nature

decided to host the Birthday celebration for those born in the month of March and April in conjunction with Earth Day. The celebration was held on 17 April 2015 and everyone was required to dress in Mother Natures' favourite colours of blue and green. The meeting room was decorated beautifully with plants, pebbles, recycled paper birds, paper clouds, cardboard tree made out of unused cardboard box and balloons (what's a party without balloons right?).

The event was brought to life by the self-proclaimed "Best Looking Male", Zhun Kit who started by educating the staffs on the history of earth day and nature. This was followed by a challenging earth day quiz for all the birthday babies. Some of the birthday babies were seen scratching their heads as they tried to guess the correct answer. After a tough mental quiz and a lot of laughter by everybody that were gathered on that day, it was time to feast! But first, the birthday babies got together to cut the birthday cake which was decorated according to the earth day. Everybody filled their stomachs with string hoppers, chicken curry, 'tahu sumbat' and egg and tuna sandwiches. To put the cherry on the icing, there was also ice cream served with chocolate syrup and chocolate rice which everyone went 'gaga' for. Food was served on a paper plate with banana leaf. All in all, it was an amazing evening that was well planned and executed. Thank you to Mother Nature and her trustee

## Minions Bash By Mona

*Minions Birthday Bash was the theme picked by Group 3 to celebrate 8 birthday babies on the 12<sup>th</sup> June 2015 at 5.30pm.*

*The meeting room was decorated in related to the theme for the event and most of them were spotted in blue and yellow casual attire as it was the day's theme colour.*

*The event start with a hilarious game of "Guess who am I". During the game, the birthday babies had to guess the character names and also acted out each of the characters, with much applause from everyone in the room. This is followed by a cake cutting ceremony for the birthday babies. En. Nasa was also invited to present the gifts to the birthday babies for the month of May and June.*

*Refreshments were served thereafter and everyone had a joyful time together and already looking forward to the next event.*

## GST 2.0 Sale *by Manmeet*

**And** so this time the second food sale of the year to raise funds for the Sports Club was organized by the CARE Department and supervised by Mr. Ong Weng Jin with a catchy theme called GST 2.0 Lunch on the 9<sup>th</sup> April in conjunction of the glorious smart move by the Malaysian Government's implementation of Goods and Services Tax (GST).

A very unspecifiable theme was chosen comprised of Gulab Jamun (Indian sweet cuisine), Garlic Bread (Fairly westernized), a Spaghetti ala *CARE* to go with a Soup de Mushroom (MR styled cuisine) and finally a popular Mamak style refreshment 'teh tarik' AKA 'pull tea' all this for a reasonable price of RM25. But that's not all which was offered as each purchase of the GST 2.0 lunch set also comes with one (1) lucky draw entry voucher for a chance to win up to 10 prizes worth RM800.

The prizes were made up of gift vouchers and the grand prize was a Deuter Knapsack worth RM500. Voucher holders are also entitled to purchase additional lucky draw entry vouchers at RM5 each. The food was served to all hungry people eagerly waiting to fill their tiny stomachs with huge amount of meal portions. I would say I enjoyed it slightly more planning to get a third refill despite filling myself up after the second round.

Finally the most anticipated event of the day, the lucky draw!! Gifts were presented and also lucky draw numbers were drawn out from a jar by our CEO, En Nasaruddin. All repetitive people to win a draw gave the chance of a new draw in the most sporting way. Many hopeful hearts leaped with joy as complimentary AEON, Mc Donald, Nandos and KFC, Pizza Hut & Ayamas vouchers were given out for this charitable event. Now that has really set a benchmark for the other Departments to match with their upcoming food charity sale in raising funds for our beloved Sports Club.

### Biryani for the Tummy *by Amir*

The Admin Department organized a lunch sale on Monday, 11<sup>th</sup> May 2015 at 12.30pm to contribute in raising funds for our Sports Club (which we love dearly). Their lunch set comprised of Chicken/Mutton Biryani (depending on your tummies choice), orange cordial & fruit jelly for only RM20 (GST included). There was also a special dessert included in the set which was a delicious helping of kesari (which is one of the most basic and loved sweets in India).

The office turned into a horror house when stomachs started to growl in hunger just before lunch time. Colleagues queued up quickly to get their packed lunch and everybody went to find a place to sit and enjoy their lunch. The chicken and mutton was tummy-licious (I wouldn't mind going for a second helping). Having the fruit jelly for dessert was a great way to end the lunch. Thank you to the Admin Department for giving us the energy (and making some of us sleepy) for the remainder of the day!

*Raceday by Jovani*

**Raceday,** 18 April 2015. It was a bright breezy sunny Saturday at City Karting Shah Alam and eleven speed demons were anticipating the race of their lives. The event comprised of three stages: warm up round, qualifying round and of course, the main event, the race!

Eager to test the track and with their adrenaline rushing, the racers set out on their four wheeled 80cc chariots and zipped through windy asphalt. The rivalry had escalated from the warm up round and the heat from the sun intensified the atmosphere further. Nevertheless, the event goes on. Next up is the qualifying round. This round will determine their starting positions for the main race. One by one, they fearlessly steer through the circuit, trying to clock in their best times.

The round was over, the times were clocked in and everyone knew their starting positions. The main race was about to start. The racers drove off in pairs, side by side, following the safety kart and finally, the green flag was waived and it was pedal to the floor! Some were more focused on performing stunts such as “the Donut” and attempting to ram into each other. After many tiring laps, the chequered flag came to light and all the racers raced to the finishing line.

The Champion of the race was Mr. Weng Jin aka JJ, followed by Sara aka Star and Haikal aka Baby Face. The event was a successful one and everyone had a great time. Thank you MRSC for organising this wonderful event.

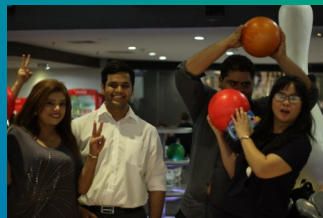

*Super Bowl by Ashwin*

**It** was just a regular Thursday to our citizens of MR on 11 June 2015 with one difference.

The Super Bowl Tournament was held on this evening! Being hosted by our beloved MRSC members, it gave the chance for us to come together and have a memorable night. The night began approximately at 7pm, though most of us were there at 6.30- 6.45, assuming we would get the chance to scavenge for a quick bite before the games began. Though there was a small delay in the beginning, everything went off without a hitch. Everyone laughed and joked amongst one another and there was perfect unity amongst the citizens which matched our new company slogan, “ONE TEAM, ONE DREAM”.

As for the winners, does it really matter who won? What matters was we all had a fun and memorable night. By approximately 9 pm, everyone had been worn out and tired, including myself. We dispersed from the venue around 9.30pm, all tired but satisfied with the memorable joyous event.

## Annual Charity Movie Night *by Navin*

It's within our firm's culture to organize charity events not only to support the needy ones, but also to indirectly strengthen the bond among all MustaphaRaj employees. This year, we continued our tradition by organizing another annual charity movie night which was held on 24 April 2015 at Cathay Cineplex, eCurve, which managed to raise a whopping total of RM4992 through the purchase of tickets and was donated equally to Bangsa Ria Home and PJ Caring Home amounting to RM2496 for each home respectively.

The movie for this year's event was 'Avengers: The Age of Ultron', a decision made based on a collective agreement between the members of the MR Sports Club. Two halls were booked to accommodate those who have purchased the tickets. A booth was set up to manage the ticket distribution and seat allocation. Everything went smoothly, and the staffs were escorted to their respective halls. The movie ended around 11.30pm and everyone enjoyed the movie. It was indeed a fun and exhilarating night for all the MustaphaRaj employees and I'm sure everybody is looking forward to more events like this in the coming future. We wish to thank all who participated in this event and to all who have donated kindly.

## Countless Efforts *by Sham*

Better Malaysia Foundation (BMF) chairman none other than Tan Sri Vincent Tan initiated several aid efforts for Rohingya and Bangladeshi refugees between late May and early June this year. One of the drop off point was in the Sports Complex in Bukit Kiara Equestrian and Country Resort, where many people and smaller organisations participated in the collection drive. MustaphaRaj Sports Club took this opportunity to lend a hand by collecting unused clothes and unwanted materials such as blankets and towels from their employees and their family to be donated to the stateless and homeless Rohingyas and Bangladeshis in Malaysia. On 5<sup>th</sup> June 2015, all collected items were delivered to Bukit Kiara drop off point which was later on delivered to the respective shelter camps, including Sik Depot in Alor Setar, Kedah. Thank you to all individuals who have supported the humanitarian effort and may God bless you.
